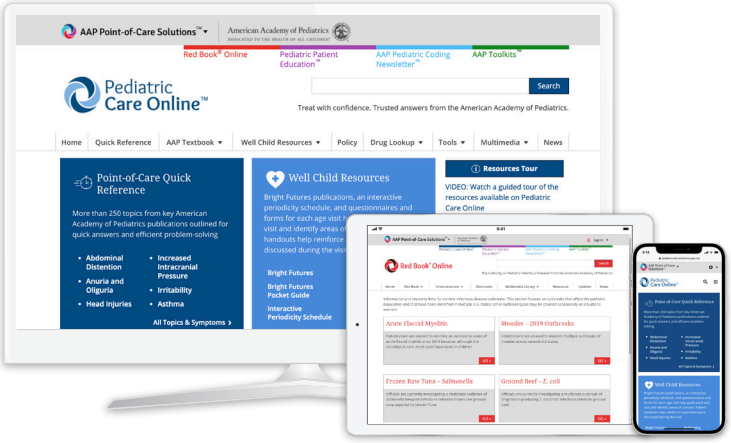
Pediatric Care Online™

Treat with confidence.
Trusted answers from the American Academy of Pediatrics.

Instant Access to Expert Pediatric Guidance You Can Rely On



Pediatric Care Online—Trusted advice. Always on call.

Pediatric Care Online bundles all the essential tools you rely on every day into one subscription with one simple log-in. It's like a 4-in-1 resource because it also includes all the content from ***Red Book®* Online, *Pediatric Patient Education*™,** and the **AAP toolkits** sites.

- **AAP toolkits**—Including Bright Futures, NEW Mental Health, ADHD, and Autism.
- ***Pediatric Patient Education***—More than 800 symptom-, diagnosis-, and disease-based handouts (300+ in Spanish), including Schmitt Pediatric Care Advice collection and COVID-19 patient handout collection.
- ***New!*** **Handouts by language**—Eleven key handouts translated into 12 languages, including Chinese (Mandarin), Arabic, and Polish.
- ***Red Book Online***—***Now available!*** The 32nd edition of the *Red Book®*—continuing the tradition of excellence with the latest clinical guidance on the manifestations, etiology, epidemiology, diagnosis, and treatment of more than 200 childhood infectious diseases.
- **Point-of-Care Quick Reference**—Indispensable American Academy of Pediatrics (AAP) information on 250+ topics, streamlined for fast answers and continually being updated.
- ***AAP Textbook of Pediatric Care***—***Just added!*** *Neonatology for Primary Care,* 2nd Edition, including 6 new chapters.
- **Clinical practice guidelines, policies, and reports**—The latest AAP recommendations on vaccine schedules, developmental screening, and more.
- **Visual Library**—Quickly search 3,000+ images for faster diagnosis.
- **Forms & Tools**—Algorithms, clinical calculators, and pediatric drug lookup.
- **Webinars available on key topics,** including "Hit Me With Your Best Shot: Immunizations in 2021," "A Multidisciplinary Approach to Infants with GERD-like Symptoms: A New Paradigm," and many more.
- **Common Pediatric Medical Procedures**—Video series features the 19 Common Pediatric Procedural Skills required by the ACGME.

Group Practices and Institutions

Site license subscriptions to any of the *AAP Point-of-Care Solutions*™ resources include organization-wide online access set up for authentication via public IP addresses or a referring URL. Subscriptions are sold by means of a **rolling subscription model** and can begin at any time throughout the year.

The benefits of a multiuser site license subscription include ease of access and integration with your website and/or your EHRs.

How to Order

To learn more about practice or institutional site licenses, visit **shop.aap.org/license-form.**

EHR/Website Integration

The content of *AAP Point-of-Care Solutions* can be integrated with your system(s) in a variety of ways to support providers, parents, and patients; in addition, we can assist you, your technical staff, and your vendors to optimize productivity and use of the resources. This is a standard part of licensing, with no additional AAP charge for using AAP standard tools. However, depending on the level of control to modify the interface and/or website, additional costs may be required from those vendors or third parties. Contact the AAP Licensing Team at **institutions@aap.org.**
