

# Achieving Our VISION

To be the most comprehensive, integrated and connected health system for getting and staying well

Be the **best place to work, practice, research and grow**, where **people are provided an equitable opportunity to reach their full potential**

Offer the **most accessible and integrated health ecosystem** to our patients

Provide the **easiest to use, most digitally connected and highest-quality** patient experience

Deliver **preventive and predictive “whole-person”** healthcare

Improve **patient, community and societal health equity and outcomes**

# Why We Exist MISSION

Caring for our patients first and our people always

# Representing Our BRAND

# Living Our VALUES

**We always focus on doing what’s right for our people, patients and communities.**

We live our **values** of:

## Excellence

We deliver high-quality, equitable care, have courage to take on the toughest challenges and model stewardship

## Curiosity

We are constantly learning and creating new ways to advance healthcare

## Teamwork

We collaborate with humility and solve for ONE Sutter

## Compassion

We show empathy and understanding in every personal interaction

## Inclusion

We respect and celebrate our differences and similarities, and cultivate a sense of belonging

## Integrity

We earn trust by doing the right thing and delivering on our commitments
