

The American Academy of Pediatrics' (AAP) open access (OA) publishing allows researchers to freely share their articles with readers, removing paywalls and facilitating unlimited sharing

Journal types offering OA

Fully OA journals

All published content is freely accessible
Pediatrics Open Science

Hybrid journals

Subscription-based journals with optional OA publishing
Pediatrics and Hospital Pediatrics

AAP OA publishing models

Gold OA

Accepted article published after paying an article publishing charge (APC)

Green OA

Accepted article uploaded in an institutional repository

Publish your article OA

Submit for peer review

Pay APC upon acceptance

APC covers public access in perpetuity and author copyright ownership

Article is freely accessible on publication

Why publish OA?

Increased accessibility, readership, and citations

Greater impact through free sharing

Authors retain ownership and control reuse by Creative Commons (CC) licenses

Easier compliance with funder requirements

Join us in making scientific knowledge freely accessible to all!
