

The future of medical billing for primary and specialty physicians

Manage your revenue cycle end-to-end with flexible solutions for many different medical specialties and practice sizes.

By using industry-leading technology combined with high-touch relationship building, Coronis Health allows healthcare practitioners to focus on patient care, maintain financial independence, and cultivate financial success.

Our services

Billing

Coding

Collections

Revenue cycle management

Financial analysis and reporting

Credentialing

EMR/technology integration

Practice management consulting, and more

Delivering a difference for you

You need a billing service you can trust. Coronis Health has brought the most innovative and thought-advancing leaders in medical billing and revenue cycle management together to progress this industry into the modern, technological age. With high levels of professionalism and analysis, Coronis delivers results for medical practices.

- 1 Making it fast and easy** – Because we are EMR agnostic, you will not have to rip and replace your existing platform, no new software to install or learn
- 2 Knowledge of your specialty** – Our robust team of experts brings years of experience in your specialty
- 3 Help when you need it** – We provide a high touch customer service approach that allows you to focus on patient care
- 4 Get paid for more of the care you deliver** – We deliver best practices and seek creative solutions to help with billing, collections and coding
- 5 No upfront cost** – You don't pay us until you get paid

Hear what our clients say

“I cannot imagine being in practice without Coronis. They are innovative with billing and aggressive at collecting my hard-earned fees. It truly is a great partnership. ”

“Coronis Health is a perfect partner to have for a small physician practice. They are knowledgeable, dependable and honest. Since partnering with Coronis our practice has grown to a sustainable level. We are truly grateful for the teamwork mentality. ”

“Coronis Health is not just a billing service provider to us. Not only do I have full confidence in their ability to manage our revenue cycle, but I also have full assurance that they truly care about the success of our clinic. The relationship my staff and I have with the Coronis team resembles one unified organization with one mission rather than one company that just outsources a service to another. The support I receive through analytics provided as well as the fact that our AR consistently blows industry KPIs out of the water has given us the financial health to be able to successfully grow our practice and to continue to serve our community. ”

“It’s like having an inside billing department. ”

“Coronis is dependable and easy to reach. Our revenues since switching have improved and we gladly endorse them. ”
