

Micro Direct has been offering Total Spirometry Solutions since 1993 with five models priced from \$695 to \$2,295, all designed to meet your needs; and each with your choice of inexpensive cardboard mouthpieces, one-way mouthpieces or full protection pulmonary filters. We also offer low cost screening spirometers and inexpensive peak flow meters for office and home use.

Our sales and support staff has over 100 years of combined experience in the medical equipment industry and is ready to advise you on the best product for your practice and will be there after the sale to provide support and assistance for the products you purchased. Also all products sold by Micro Direct include a 30-day money back guarantee.

Micro Direct also rewards our valuable customers who purchase their supplies from us with our Frequent Buyer Program. Every time you reach \$500 in supply purchases from Micro Direct, we will send you a \$50 L.L. Bean gift certificate to thank you for your business.

At Micro Direct our mission is clear - to provide innovative, high quality products at a fair price... and the customer support and great service you expect.
