## Purchase and manage your PREP subscriptions all in one place...shopAAP!

Are you ready to place your order? You can easily purchase your subscription online at **shop.aap.org/prep**. Just log on to our secure site using your AAP ID and password.

You can also manage all your existing subscriptions, update your account preferences, and access your digital content by going to **shop.aap.org/myaccount**.

Browse through the following pages to find the subscription program that best meets your lifelong learning needs. When you're ready to purchase, head over to **shop.aap.org** for quick, secure online ordering.

*Subscription access begins January 2022.*

**General Pediatrics Review Package!**

## NEW FEATURES

- PREP Practice Pearls Flashcards allow quick review of the most salient practice takeaways viewable by content category or missed questions for rapid study.
- Share content with your colleagues for further discussions.

## PREP® Self-Assessment

- MOCA-PEDS content dashboard points to content that is relevant to the American Board of Pediatrics (ABP) MOCA-PEDS objectives.
- Practice test gives access to bonus MOCA-PEDS content.
- Practice-test module allows customizable exam content and allocated time per question.
- Confidence-rating reports identify areas for further review.
- Enhanced peer-reporting data.
- Includes direct links to *Pediatric Care Online*™ (PCO) resources.\*
- MOC points transfer to the ABP on completion.

\*PCO subscription needed to access full content.

## Pediatrics in Review® Journal Features

- **NEW** Chronic Conditions feature.
- Clinical journal review mapped to ABP content specifications and articles that fill in clinical gaps.
- Index of Suspicion case presentations.
- Visual Diagnosis case presentations.
- In Brief articles condense important content from published pediatric abstracts.
- Online CME quizzes and a print issue answer key.
- Teaching slides by authors as a teaching aid for review articles.
- Online article library dating back to 1979 with new digital Index of Suspicion and Visual Diagnosis cases bonus issues.
- Current PDF monthly issue downloads.
- New AAP Publishing platform split view of *Pediatrics in Review* articles and supporting figures, diagnostic images, and reference.
- Journal Insights monthly emails.

## PREP® THE CURRICULUM 1-year subscription includes

### PREP Self-Assessment

Including 240 case-based questions with detailed explanations supporting the preferred response, along with a discussion of why other choices are incorrect

### 12 issues of Pediatrics in Review

Published monthly with case-based articles that aid clinicians in the proper identification of differential and actual diagnoses as well as therapeutic management of diseases and disorders

	PRINT & ONLINE	ONLINE ONLY
Nonmember	\$515	\$460
AAP Member	\$385	\$335

**Round out your continuing education with PREP the Curriculum by including relevant journal review articles for larger scope of learning.**

Comprehensive package includes 2 popular subscription products. Subscription access begins January 2022.

General pediatrics 2022 PREP® Self-Assessment is approved for 40 points of MOC Part 2 credit and the Pediatrics in Review® journal is approved for 30 points of MOC Part 2 credit by the American Board of Pediatrics through the AAP MOC Portfolio Program.

**Component  
of PREP® The  
Curriculum**

Pediatrics Review and Education Program

*Component of PREP The Curriculum package, also sold separately.*

### 1-year subscription

With PREP Self-Assessment, you can identify your strengths and weaknesses with peer-reviewed questions, high-quality medical images, and detailed critiques. Also includes practice test features, enhanced performance results, and PREP Pearl Flashcards to focus your studies.

	PRINT & ONLINE	ONLINE ONLY
Nonmember	\$310	\$280
AAP Member	\$240	\$205

2022 PREP® Self-Assessment is approved for 40 points of MOC Part 2 credit.

### Topics include

- Recognizing findings suggestive of non-accidental trauma.
- Encouraging appropriate and healthy physical activity for patients living with Marfan syndrome.
- Planning the diagnostic evaluation for a neonate with conjugated hyperbilirubinemia.
- Recommending first-line treatment protocols for a patient with anorexia nervosa.

### Includes new enhanced features to focus your study

#### Flashcards

As you complete questions, open the PREP Pearl tabs to review randomized PREP Pearls in your lowest performing categories.

Results are summative, so the more assessment you take the more PREP Pearl Flashcards you can review, focusing on those areas where concentrated study may be advantageous.

### SHARE CONTENT

Like and share PREP questions that are relevant to issues discussed or encountered in practice.

# Pediatrics in Review®

EDITOR // Joseph A. Zenil, MD, FAAP

DEPUTY EDITOR // Hugh D. Allen, MD, FAAP

Component of PREP The Curriculum package, also sold separately.

AAP Subspecialty Section Member	\$109
Fellowship Trainee Member	Included in membership

*"PREP Palliative Medicine is an amazing resource: clinically relevant, extensively referenced, and clearly explained. The material is approachable for the pediatrician who is curious about what palliative care really is, and comprehensive enough that someone who's been doing palliative care for a while—like myself—can still learn a great deal."*

—Robert Macauley, MD, FAAP, FAAHPM

# NeoReviewsPlus™

Get the latest critical information from neonatology experts with the NeoReviewsPlus package. Test your knowledge and stay current while earning valuable MOC and CME credit.

## A NeoReviewsPlus 1-year subscription includes

### NeoReviewsPlus Self-Assessment (online only)

Includes 96 case-based questions designed to assess your knowledge. Includes detailed critiques, PREP Pearls, and suggested readings for further study (24 MOC Part 2 points, 24 CME credits).

### NeoReviews™ CME and MOC Journal (online only)

Monthly CME and MOC review journal featuring clinical articles, case scenarios, and timely reviews packed with evidence-based information on the diagnostic and therapeutic management of diseases and delivery of neonatal care (10 MOC Part 2 points, 24 CME credits)

### Topics include

- Identifying and managing intrauterine growth restriction
- Describing limitations of universal critical congenital heart disease screening
- Comparing use of heated humidified high-flow nasal cannula with continuous positive airway pressure

*1-year annual subscription to NeoReviewsPlus includes 8 questions per month, 34 MOC Part 2 points, and 48 CME credits.*

**Best Value! Package includes the self-assessment and the NeoReviews journal.**

To order multiyear packages contact AAP Member & Customer Care at 866/843-2271 or [mcc@aap.org](mailto:mcc@aap.org).

### Maintenance of Certification (MOC) Information

The general pediatrics 2022, 2021, and 2020 PREP® Self-Assessments are approved for 40 points of MOC Part 2 credit by the American Board of Pediatrics through the AAP MOC Portfolio Program.

2022 PREP® Subspecialty Self-Assessments are approved for 18 points of MOC Part 2 credit by the American Board of Pediatrics through the AAP MOC Portfolio Program. The self-assessment component of NeoReviewsPlus™ is approved for 24 points of MOC Part 2 credit. PREP Hospital Medicine is approved for 26 points of MOC Part 2 credit. PREP Palliative Medicine is approved for 10 points of MOC Part 2 credit.

NeoReviews™ is approved for 10 points of MOC Part 2 credit by the American Board of Pediatrics through the AAP MOC Portfolio Program.

Pediatrics In Review® is approved for 30 points of MOC Part 2 credit by the American Board of Pediatrics through the AAP MOC Portfolio Program.

All approved activities must be completed by the MOC Credit Approval End Date. All deadlines and MOC point values should be confirmed by checking the ABP Activity Catalog within each physician's ABP portfolio. Consult your ABP portfolio at [www.abp.org](http://www.abp.org) for details about your specific certification requirements. For questions about how to access this activity, contact [MOCPortfolio@aap.org](mailto:MOCPortfolio@aap.org).

To claim credit and find information on how to notify the ABP of your completion, refer to the Claim Credit pages of the self-assessments.

Please note: To claim MOC credit, subscribers must initiate transmission of MOC credits after all assessment questions have been completed and the established minimum passing score has been achieved in the online learner mode. A record of MOC credit claiming activity is located in the Manage ABP MOC Credit section of the AAP Transcript and Credit Management Tool.

Learn more about the American Academy of Pediatrics solutions for MOC at <https://shop.aap.org/professional-education/maintenance-of-certification/>.

Consult your ABP portfolio at [abp.org](http://abp.org) for details about your specific certification requirements.

### CME Credit Information

The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The AAP Policy on Disclosure of Financial Relationships and Mitigation of Conflicts of Interest is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities. All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that they have either no financial relationships or any financial relationships with the manufacturer(s)

of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. All potential conflicts of interest are identified and mitigated prior to an individual's confirmation of service at an AAP CME activity. Beyond disclosure of financial relationships, AAP CME faculty are required to disclose to the AAP and to learners when they plan to discuss or demonstrate pharmaceuticals and/or medical devices and/or medical or surgical procedures that involve "off-label" use of a device or pharmaceutical. The AAP is committed to providing learners with commercially unbiased CME activities.

*The content of these CME activities does not necessarily reflect the views or policies of the AAP.*
