

RWJBarnabas Health Seeking Pediatric Urologist for Employment in Northern NJ

RWJBarnabas Health's medical group is seeking a Pediatric Urologist to join our clinical team in Northern New Jersey with cases performed at Newark Beth Israel Medical Center in Newark and Saint Barnabas Medical Center in Livingston. As the largest integrated health care delivery system in New Jersey, RWJBarnabas Health offers competitive compensation and a robust benefits package including health, life, disability and malpractice insurance, 401k/retirement, plus PTO and added time off for CME.

Located in the heart of Northern New Jersey, this is an opportunity to seek mentorship and participate in outpatient, OR, and call coverage at both Newark Beth Israel Medical Center and Saint Barnabas Medical Center, two of the most highly esteemed hospitals in the state. With urology residents rotating throughout both locations and assigned to each hospital, this position presents as a teaching/academic opportunity with a support system for call. A strong alignment with Rutgers New Jersey Medical School and Rutgers Robert Wood Johnson Medical School also offers a unique possibility for a faculty appointment with clinical research.

Successful candidates must be:

- Fellowship-trained in pediatric urology
- Board certified (or board-eligible for graduating fellows)
- Strong robotic and laparoscopic experience

More about the Position:

- Join dedicated provider with support staff on site (NP)
- Hospital and outpatient locations just moments away from New York City and surrounding suburban towns with community attractions and skyline views
- Opportunities for career growth, close team partnership, and progressive mentorship

To learn more about this position and other opportunities throughout New Jersey and with RWJBarnabas Health, please contact **Susan Bethay**, *Physician Recruiter*, susan.bethay@rwjbh.org | (862) 240-2885. Thank you!

About Newark Beth Israel Medical Center:

Newark Beth Israel Medical Center, a regional care, teaching hospital established in 1901, provides comprehensive health care services to its local communities and is a major referral and treatment center for patients throughout the northern New Jersey metropolitan area.

With more than 800 physicians, 3,200 employees and 150 volunteers, the Medical Center has over 300,000 outpatient visits and 25,000 admissions annually. It is one of two hospitals in New Jersey where heart transplants are performed and the only hospital in New Jersey certified to perform lung transplants.

About the Children's Hospital of New Jersey, Newark Beth Israel Medical Center:

As a premier healthcare provider for children throughout New Jersey, Children's Hospital of New Jersey at Newark Beth Israel Medical Center (CHoNJ) offers specialized treatment for pediatric patients who are either injured or have ailing health. Preventative programs are also offered to help patients achieve and maintain good health.

Whether you have a newborn child or an adolescent, the CHoNJ opens their doors to children of all ages. The hospital is an affiliate of RWJBarnabas Health, New Jersey's largest integrated delivery system in health care.

Our hospital serves pediatric patients exclusively. We understand that children have unique needs when it comes to medical care, requiring more than just clinical intervention. Our patients receive treatment in a calming and compassionate atmosphere in nearly 30 pediatric subspecialties including a full-service Children's Heart Center pediatric cardiac surgery program.

Experienced surgical and medical specialists include a Pediatric Intensive Care Unit, a Pediatric Emergency Department, and the only Neonatal Intensive Care Unit in New Jersey with an ECMO unit to assist infants in severe respiratory distress. Children's Hospital also offers a Valerie Fund Children's Center for Cancer and Blood Disorders and a specialized pediatric anesthesia and sedation program for children undergoing surgical procedures.

CHoNJ preventive programs that promote health and wellness in our community include the Beth Greenhouse with access to fresh, nutritious produce, the award winning KidsFit pediatric weight management and wellness program. In conjunction with the Reverend Dr. Ronald B. Christian Community Health and Wellness Center, an intergenerational "neighborhood hub and learning lab," classes are offered that teach the importance of good nutrition.

About Saint Barnabas Medical Center:

For more than 150 years, Saint Barnabas Medical Center, New Jersey's oldest and nonprofit, nonsectarian hospital, has worked to exceed our community's highest expectations for compassionate care, healthcare excellence and superior service. The institution traditionally treats nearly 33,000 inpatients and approximately 100,000 Emergency Department patients each year. The Medical Center and the Ambulatory Care Center provide treatment and services for 349,000 outpatient visits annually.

Saint Barnabas Medical Center has long been recognized as a leader in providing the highest level of patient care-delivering more than 5,800 babies annually, caring for more

newly diagnosed cancer patients, creating breakthroughs in the field of infertility, and providing more than 100 medical and surgical specialty and subspecialty services. The Department of Pediatrics includes the full range of pediatric subspecialists including pediatric nephrology, neonatology and pediatric critical care. These services work in conjunction with the Renal Transplant service, with the highest volume pediatric kidney transplant program in New Jersey and the Neonatal Intensive Care Unit whose outcomes are consistently in the top 1% of the over 1000 member neonatal Vermont Oxford Network.

Saint Barnabas is accredited by The Joint Commission and the American Medical Association Accreditation Council for Graduate Medical Education. Among Saint Barnabas' nationally recognized facilities are The Burn Center, the Renal and Pancreas Transplant Division, the Heart Centers, the Bariatric Surgery Center of Excellence, and many more.

Saint Barnabas is part of RWJBarnabas Health, New Jersey's largest integrated health care delivery system with acute care hospitals, a Behavioral Health Center, ambulatory care facilities, a statewide behavioral health network and comprehensive home care and hospice programs.
