### **About Robert Wood Johnson University Hospital New Brunswick:**

Founded in 1884, Robert Wood Johnson University Hospital (RWJUH) New Brunswick is an academic medical center whose Centers of Excellence include cardiovascular care from minimally invasive heart surgery to transplantation, cancer care, stroke care, neuroscience, orthopedics and women's and children's care, including The Bristol-Myers Squibb Children's Hospital (BMSCH). BMSCH serves as the focal point of New Brunswick's growing children's health campus, which includes the Child Health Institute of New Jersey, PSE&G Children's Specialized Hospital, and Ronald McDonald House-New Brunswick. The free-standing, state-designated, acute care children's hospital is a state-of-the-art facility that is specially designed to care for children. From pediatric

surgery, urology, and cardiology to oncology, hematology, and pulmonology, BMSCH's specialists and intensivists provide advanced care for children of all ages—from fragile newborns to adolescents.

As the flagship cancer hospital of Rutgers Cancer Institute of New Jersey and the principal teaching hospital of Rutgers Robert Wood Johnson Medical School in New Brunswick, RWJUH New Brunswick is an innovative leader in advancing state-of-the-art care. Featuring a Level 1 Trauma Center and the first Pediatric Trauma Center in the state, RWJUH's New Brunswick campus serves as a national resource in its groundbreaking approaches to emergency preparedness.

### **About RWJBarnabas Health**

RWJBarnabas Health is the most comprehensive health care delivery system in New Jersey, treating over 3 million patients a year. The system includes eleven acute care hospitals, three acute care children's hospitals and a leading pediatric rehabilitation hospital, a freestanding 100-bed behavioral health center, ambulatory care centers, geriatric centers, the state's largest behavioral health network, comprehensive home care and hospice programs, fitness and wellness centers, retail pharmacy services, a medical group, multi-site imaging centers and four accountable care organizations. RWJBarnabas Health is New Jersey's second largest private employer – with more than 32,000 employees, 9,000 physicians and 1,000 residents and interns – and routinely captures national awards for its outstanding quality and safety.
