eLearning

### Why do our customers choose to work with us?

#### We Listen

Each of our customers is unique. iSpeak workshops can flex to adapt content and delivery into alignment for you.

#### Trusted Methodology

The iSpeak system is a time-tested and well-traveled methodology that has made its mark in hundreds of companies around the world.

#### Accomplished Instructors

Experienced and attentive coaches pinpoint the strengths and growth potential of students, learn the terminology of the company, and adjust the exercises to align with your real-world scenarios.

#### Actionable Tools

The tools and skills taught are simple to grasp and easy to use the very next day.

*“This was great and will be so helpful immediately, both at work and in my personal life.”* – Danielle D., IGT
