Electronic Visit Verification (EVV) and Staff Scheduling Solutions

Stephanie Masters Norton

Senior Training & Implementation Specialist

“While implementing EVV at your agency may seem daunting, there is no need to feel overwhelmed. By understanding what is required for your agency and breaking down the regulation’s requirements into steps to practice, your agency will be in a great position for success.”

The Scheduling system includes:

- Calendar-based schedule building
- Multiple views for scheduler, staff & Individuals
- Real-time monitoring of staff check-in/out
- Self Scheduling features
- View scheduled vs provided hours by staff/individual served
- Review over and under utilization of authorized services
