THE SCIENCE INSIDE

ChiccoDUO® uses a breakthrough medical technology that permanently bonds micro-thin layers of break-proof **INVINCI-GLASS®** to a premium plastic bottle, creating the first hybrid baby bottle.

PURITY OF GLASS 100% INVINCI-GLASS® INSIDE:

- Won't Shatter, Chip, Crack or Flake
- No Funky Smells or Aftertaste
- Stays Clear – Won't Stain or Discolor
- Break-proof & Long-lasting

STRENGTH OF PLASTIC PREMIUM PLASTIC OUTSIDE:

- Lightweight & Durable
- Easy to Hold – for You & Baby
- Free of BPA, PVC & Phthalates

INTUI-LATCH® NIPPLE

ANTI-COLIC VALVE

For less air ingestion¹ and baby's feeding comfort²

SHAPED TO FIT

Nipple shape positions baby's tongue and lips for a natural, intuitive latch

NATURAL FEEL

Soft silicone with skin-like texture helps baby stay latched

BREAST-LIKE FLOW

Slow flow is easy for baby to control – ideal for breast to bottle feeding
