

Plantrician Providers[®] is a global directory of clinicians and allied health professionals who understand that a pill for every ill is not the answer. Instead they are embracing the nutritional science that overwhelmingly supports the efficacy of whole food, plant-based nutrition and its ability to prevent, suspend, and, often, even reverse chronic diseases.

PLANTRICIAN PROVIDERS INCLUDE:

- | | |

Plantrician
[plan'triSH(a)n/] noun
a physician or clinician, empowered by the scientific evidence of the benefits of whole food, plant-based nutrition who uses this knowledge as a cornerstone in practice to improve the health of patients or clients.

I am a Plantrician committed to using a plant-based food as medicine approach to healthcare.

We are transforming health and healthcare
#plantrician

PATIENTS

Plantrician Providers will connect you with plant-based doctors, nurses, registered dietitians, health coaches and other healthcare professionals committed to using a lifestyle-medicine-first approach to care. Find a Plantrician Provider near you or one that offers telehealth.
