# IRON

A Great Option for Kids!

# Celebrate Vitamins Iron Supplements

- ▶ Ferrous Fumarate is gentle on the GI tract to help prevent upset stomachs.
- ▶ Our Iron is micro-coated to prevent staining and keep children's teeth white.
- ▶ Made from a combination of the most bio-available forms of iron and vitamin C to ensure maximum absorption.
- ▶ Available in a variety of dosages including 18 mg, 30 mg, 45 mg, and 60 mg iron dosages.
- ▶ Available in both hard chewable and soft chew options.
- ▶ Manufactured in a GMP Certified facility to ensure our supplements are consistently produced and controlled according to quality standards.
- ▶ Kid friendly flavor options. No artificial flavors.
- ▶ All Iron products use CRC caps for safety.
