

Unexplained Pediatric Death:

WEBINAR TRAINING SERIES

with **FREE CME***

★ **WHO:** Pediatric and primary care providers, pathologists, medical examiners/coroners, death investigators, first responders, law enforcement, emergency department professionals and social workers, psychologists, nurses and health sciences students

★ **WHERE:** Remote, on-demand

★ **WHY:** As a medical professional, you are part of traumatic experiences while they're occurring; and with the right tools, you can help improve the care provided to affected families after the sudden death of a child.

★ **HOW MUCH:** Free!
