

Research Administration Training

CITI Program offers easy to manage turnkey solutions that organizations can use to train entire groups of learners online and affordably.

An annual subscription fee for our custom training solution provides your learners with unlimited access to courses from a total of six training subjects. During the subscription process, you also have the option to expand the course selections by ordering optional add-on courses for an additional fee. Further, you may consider some of our webinars reflecting current topics important to our subscribing organizations and their learners.

Essentials of Research Administration

How to Effectively Manage a Research Administration Team

Tips for Research Administrators

Essentials of Grant Proposal Development

Compensation Reporting (Effort Reporting)

Cost Allowability on Federally Sponsored Awards
