Essential OPAQUE For women

While Sigvaris' standard sizing fits most customers' needs, occasionally a unique size is needed. Essential Opaque is the answer with its extended sizing which provides an exceptional fit without the hassle of ordering a custom garment.

What is a true "petite" size?

While other brands claim to offer petite sizes, they only offer two leg lengths: petite and regular (or standard). Sigvaris Essential Opaque delivers a true petite size, short, and long leg lengths for calf, thigh-high, and pantyhose. These also offer proportional petite foot lengths.

Why choose Calf Plus sizes?

We created the Calf Plus for women with standard ankle circumferences and larger calves. Each Calf Plus size adds up to four inches in calf circumference.

How is the Pantyhose Plus Size different?

Designed for women with larger hip circumferences wanting the comfort of a roomier front panel. Pantyhose Plus stockings are also ideal for maternity wear.
